

# Invitation and Call for Abstracts “Aletta’s Talent Network Junior Research Meet-up 2023”

**Aletta’s Talent Network** invites master students, PhD students and postdocs working on any topic in the field of public health to participate in the fifth edition of the **Junior Research Meet-up**. The event takes place on **February 2nd, 2023 from 9AM till 5PM**. The event will take place at Zernike in Groningen. The aim of this event is to bring together early career researchers who work on topics related to public health, and to let them share their research, receive feedback, and expand their network.

During the meet-up you have the opportunity to present your ongoing research. The submission deadline for sending us your abstract is **January 8th 2023, 23.59hrs (CET)**, which can be done via this **form**. If you are interested in participation without giving a presentation you can register for the event via the same **form**. Participation in the Junior Research Meet-up is free of charge. There will be complementary lunch and drinks.

**We welcome abstracts on all topics in the field of public health.** For an overview of different research themes that relate to public health, please visit Aletta’s [web page](#).

We welcome not only abstracts discussing research and results, but also abstracts discussing research ideas and project outlines. You may find more information about the event and submission guidelines **here**.

If you have any questions, please do not hesitate to email us: [alettatalents@rug.nl](mailto:alettatalents@rug.nl).

We hope to see you on the **2nd of February 2023!**
