EUROPEAN RESEARCH DAYS INDONESIA 2020

“Boost Your Research Career in Europe”

Webinar Series 19 to 26 October 2020

EUROPEAN RESEARCH DAYS INDONESIA 2020

“Boost Your Research Career in Europe”

Webinar Series 19 to 26 October 2020

EURAXESS ASEAN is proud to present to you **European Research Days 2020** - a series of webinars detailing diverse opportunities for **research collaboration with European partners** or **research stints in Europe** that are open to researchers in Indonesia and the wider ASEAN region. EURAXESS ASEAN is grateful for the support of the European Union Member States, the European Union Delegation to Indonesia and Indonesian Young Academy of Sciences.

Who should attend?

This event is **open to researchers of all nationalities**. It is addressed at PhD candidates, post-doctoral researchers and established researchers of all disciplines.

How much is it?

The event is free of charge!

How do I join?

Each session will take place in form of a webinar. Please take note the exact date and time of each session. All stated times are Indonesia time (GMT + 7). **You must register for each webinar you wish to attend separately!** Find the registration link for each webinar in below agenda. After registration, you will receive a confirmation email detailing the necessary steps to join a webinar. Follow the instructions to download and install the software, if it is not available on your computer yet. As participant, you will have the opportunity to raise questions via the chat-window.

Question?

Please contact susanne.rentzow-vasu@euraxess.net

4.00 pm

Monday, 19 October 2020

“THE EUROPEAN GREEN DEAL AND THE €1 BILLION RESEARCH AND INNOVATION CALL”

The European Green Deal is the European Commission's blueprint and roadmap to make Europe the first climate neutral continent by 2050, with a sustainable economy that leaves no one behind. The European Commission has launched a €1 billion call for research and innovation projects that respond to the climate crisis and help protect Europe's unique ecosystems and biodiversity. This session will introduce the Calls and opportunities for research entities in Indonesia and ASEAN to participate.

Speaker

Dr Susanne **Rentzow-Vasu**, Regional Representative of EURAXESS ASEAN
