Stuff to bring with you

Good clothing is important. Hence besides your swimming gear make sure you have warm clothing (multiple layers is a good idea), comfortable shoes, raincoat and trousers and preferably some rubber boots. We hope for great weather, but be

prepared for a shower whilst we need your hands on the deck. The weekend before I will share a forecast with you.

Towels and personal hygiene stuff (a shower is aboard)

Sunscreen

Laptop/writing material may come in handy

Games, sports gear

Sleeping gear is available aboard

If you play an instrument, bring it, I will bring my guitar.

Good to know

You can charge your devices on 230 volts, also under sail

There is wifi aboard

There is a shower aboard

my phone number: 0636184622

I hope this mail answers the questions you may have, and we are looking forward to making this summerschool an inspirational experience.

Please also share your phone number with me (I'll start a whatsapp group), as well as a number in case of emergency...just to be sure.

Cheers
