

Selection file

The selection file consists of three documents, namely

1. Curriculum Vitae
2. Letter of motivation
3. Video assignment

1. Curriculum Vitae

Submit an up-to-date **CV**, including:

- Educational background
- Relevant experiences (work/research)
- Courses within your bachelor program that needs to be finished

Attach your grade list* / study results to the CV

*Provide official university transcripts including a list of all the courses you've taken. It should be a certified document, that is signed and with the logo of the university.

2. Letter of motivation

Write a **letter of motivation** (max. 500 words) where you state your motivation to participate in the Masters program.

- Why did you choose this specific Master's degree programme?
- In which themes are you interested?
- Which skills would you like to learn?

3. Video Assignment

Make a 3 – 5-minute **video [MP4]** in an appropriate, clear and attractive, and personal way, using [one of the articles](#) that are provided, in which you

1. introduce yourself
2. summarize the article in your own words
3. explain why you chose this article.
4. present your questions and ideas
 - >what questions does the paper raise for you?
 - >what could you contribute to such research?
 - >which skills do you think the master program will teach you?
